*Dear Ms. Boyd:*

*Enclosed please find a letter to SC Supreme Court Clerks Office.*

***"Enough is enough" (protestant Matthew Patterson)** for SCANA scandalous lawyers' manipulations using false claimed assumption of BLRA to illegally collect billions of dollars from millions of victims. The negligence of their budgets, economy of state and the USA is the criminal, especially for victims in this cold season when electric energy demand is significantly increased.*

.

*Have a nice the first New Year weekend  
Respectfully submitted,*

**LETTER TO THE APPELLATE COURT CLERK**

**RE: Joseph Edward Wojcicki v. SC Electric and Gas**  
**Appellate case No. 2014-002120**

Dear Ms. Shealy:

Enclosed please find

1. Six copies of documents delivered to your office on 2014 December 22.
2. The check # 1078 in the amount of \$25.00 representing the filing fee.

I do understand that above will fulfill your requirements stated in your letter dated 2014 December 30 in this case, which technically presents illegal kWh rates overcharges created by SCANA scandal similar to well known Enron scandal (ended with a corporate bankruptcy in 2001-2004) and an absurdity of their defense of necessity SCE&G customers' money for the new Nuclear Renaissance project.

Yours faithfully,

Joseph E. Wojcicki
